WITOPED XP

-25 %

- ❑ Very light (230 g) and handy (only 14 cm long).
- ❑ Ergonomically optimal, lies comfortably in the hand.
- ❑ Witoped XP fits all graduated and volumetric pipettes up to 100 ml.
- ❑ Three different speed ranges can be selected for drawing or delivery.
- ❑ Fine adjustment of pipetting speed is carried out by simply exercising more or less finger pressure on the pipetting-button. This makes the pipetting of even highly viscous or foam-forming liquids simple and safe.
- ❑ A built-in safety valve protects your Witoped XP against overfilling and contamination.
- ❑ An easily exchangeable 0,8 µm filter protects your samples.
- ❑ Completely delivered with a rechargeable and exchangeable battery (9V), a battery charger (220V/50Hz), 5 filters and a stand for the Witoped XP.
- ❑ With CE-certification.

Cat. N°	Description	List price (€)	Promo price (€)
